Enclosed you will find patient information and medical history forms that will **need to be completed and brought to the office at the time of your appointment. Failure to complete these forms prior to your arrival at the facility may delay your appointment.** We also require a list of any medications you are taking, including dosage.

We accept and file most major insurances, including Medicare. Please bring your insurance card(s) with you so that we can create your record in our system and assist you with your insurance. If you have an outstanding balance or your insurance requires a deductible or co-payment, this will be collected at the time of your appointment.

GI Specialists of Georgia is comprised of multiple entities including clinical offices, endoscopy centers, histology and anesthesia services. In the event that one entity is overpaid for services rendered (this would include the practice and facility fees) and there is a balance owed on another, we reserve the right to transfer money between entities to cover open balances.

Again, thank you for choosing GI Specialists of Georgia for your healthcare needs. We will strive to make your relationship with us as pleasant as possible.
